

## Access to day Care

---

If you believe a family member, relative or neighbour would benefit from day care then please contact our team in St. Josephs. They will assist you in accessing the appropriate social care team.

Privately funded referrals can be arranged directly with the home manager.

## Flexible Access

---

Our team in St. Josephs are ready to speak to you about our flexible day care.

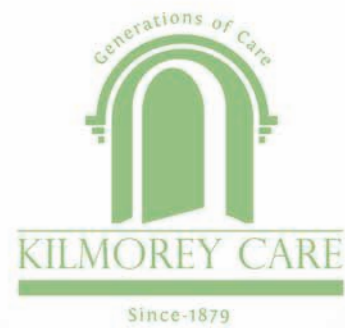

Our service operates between 7am to 7 pm Monday to Saturday. During this period care can be arranged and tailored to suit individual needs.

## Introduction

---

Welcome to Kilmorey Care. St Josephs Day Care Centre is located on the sea front in Warrenpoint Co. Down. It offers a warm and homely environment to the people of the South Co Down area.

## Our Care Service

---

We provide high quality day care six days per week to a maximum of 12 people each day. Our trained staff offer support, care and supervision in a safe and warm environment. Our aim is to provide care that meets our resident's cultural, spiritual, social and physical needs.

## Day Care Activities & Recreations

---

We encourage our residents to actively engage in our daily activities scheduled listed below. We believe participation enhances the resident's mental, social and physical well-being.

- Creative Arts
- Card Making
- Poetry & Song
- Story Telling
- Singing
- Visits from cultural groups and local schools
- TV, Radio, DVDs & Music
- Bingo, Cards & games
- Hairdressing & beauty treatments
- Hand Massage
- Chair Exercise Classes
- Daily Newspaper Reading & many other activities

## Meals

---

We provide nutritionally balanced and great tasting home cooked food to everyone in our care. Our Kitchen facilities comply with all current Environmental Health legislation in the UK & Northern Ireland. Our kitchen achieved the highest possible score as part of the "score on the door" system 2017.
